SESSION #2 - DEEP DIVE INTO COMMUNITIES ON MISSION

VIDEO: COMMUNITY ON MISSION OVERVIEW

COMMUNITY ON MISSION DEFINITION:

A Community on Mission is an 8-12 person group that uniquely blends deep relationships with the call to serve others. Weekly meetings rotate between missional outreach and community gatherings. In the missional outreach, relationships are formed and heaven on earth is made visible through the service of a specific group/place. Through the community gatherings, relationships are formed as participants share in life, faith, and growth.

GUIDELINES FOR COMMUNITIES ON MISSION

- The spiritual growth of the Community on Mission is equally as important as fulfilling the defined mission of the group.
- Each Community on Mission must have a specific group or place they regularly serve.
- Every Community on Mission has a Mission-Leader who takes care of organizing the mission and a Community-Leader who is responsible for the spiritual well-being of the group.
- Prayer, Bible study, guidance, and spiritual reflection are an integral part of a Community on Mission and take place every two weeks during the community gathering.
