STEP #3:

Answer reflection questions

The definition of PER-FEC-TION is: “the action or process of improving something until it is faultless or as faultless as possible”; a perfectionist is one who resists doing something unless it is flawless.

REFLECTION-QUESTION #1:

Have you known a person who is a perfectionist or someone who displayed these traits? What about their perfectionistic ways made them more effective? Less effective?

REFLECTION-QUESTION #2:

In light of the quote shared at the beginning of this exercise, “Anything worth doing is worth doing right”, what will have to “be” in order for your launch of a Community on Mission to be “right”?

REFLECTION-QUESTION #3:

What organizational tasks do you believe to be ESSENTIAL in order to launch a Community on Mission?

- | | | |

For your Reflection: What is the most skeletal approach to launching a Community on Mission of which you can conceive? For instance, could you conceive of determining a good thing to do in the community (a bringing of heaven to earth thing) and calling several people of faith and not yet of faith in Christ and inviting them to go with you to do it...then building the rest as you proceed and get feedback? What do you think might be the result?
